

# Quality Policy

## Commitment to Quality

At Intermarine UK Ltd, we are dedicated to delivering high-quality services that support our customers' strategically important programmes. By embracing the most effective solutions and available technologies, we enhance our operations and strengthen our ability to fulfil our commitments and comply with all relevant regulatory and statutory requirements — ensuring we consistently meet the needs and expectations of our customers and stakeholders.

## Quality is a collective responsibility at Intermarine UK Ltd.

Every individual contributes to our shared success and to achieving excellence in everything we do. We actively involve and collaborate with employees at all levels to deliver our business quality objectives and maintain the highest standards of performance. Through structured planning, evaluation, and proactive risk management, we strive to prevent errors before they arise and minimise the need for corrective action.

We promote a culture of continuous improvement, empowering our people to strengthen the effectiveness of our Integrated Management System and the services we provide.

## Our Quality Vision

Our vision is to foster a culture in which quality is embedded in every aspect of our operations. Through a steadfast commitment to continuous improvement and a solution - focused mindset, we set the standard for excellence and lead by example across all areas of our business.
